George W. Elderkin

1. Pre - cious words of Je - sus, Reach - ing all our need!
 2. Turn the tides of e - vil, Cheer the faint - ing heart;
 3. Love re - flects the glo - ry of a light di - vine,

Tru - est love the mes - sage wrought in word and deed;
 In the stress of bat - tle, bear a no - ble part;
 Down each gloom - y path - way. Let the bright-ness shine;

Cheer for all the lone - ly, Com - fort for the sad.
 Sin has o - pen war - fare with the young and brave,
 Let such deeds of mer - cy mark your up - ward way,

Sac - red, bless - ed du - ty, Make some oth - er glad.
 But your hand can res - cue, and your love can save.
 That your path will bright-en, To the per - fect day.

Refrain

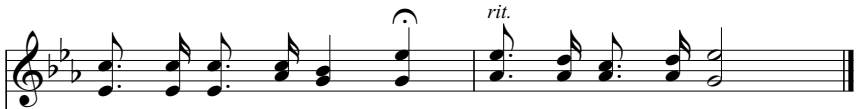

Love that nev - er fail - eth,

Seek - eth not her own;

Love that brings re - joic - ing, drives a - way the tears,

Love that lives tri - umph - ant, Thro' e - ter - nal years!
