1. Low - er and low - er, dear Lord, at Thy feet,
 2. Low - er and low - er, dear Sav - iour, we pray,
 3. Low - er and low - er, yet high - er we rise,

Seek - ing Thy Spir - it, Thy mer - cy so sweet;
 los - ing the self - life still more eve - ry day;
 Lift - ed in Christ, freed from all the earth ties:

Down in our need, bless - ed Mas - ter, we fall,
 Weak and un - wor - thy, we're look - ing a - bove;
 Hum - bly we fol - low the way of the cross.

Low - er and low - er, be Thou all in all.
 Emp - ty us whol - ly; then fill us with love.
 Then, crowns of glo - ry, and gain for all loss.

Refrain

Low - er and low - er, down at Thy cross,

All the world's trea - sure count - ing but dross;

Down at Thy feet, bless - ed Sav - iour, we fall,

Low - er, still low - er, Christ all in all!
