

1. Je - sus is my hon - oured Friend,
 2. When I feel weak and wear - y,
 3. I love Him and He loves me,
 4. My Lord's Com - mand I'll o - bey,

He knows me through and through,
 Sunk in the depths of woe,
 He is my bo - som Friend,
 How dare I fall be - hind?

His love is sure and full of grace,
 He lifts me up to run the Race,
 He shares my joys and my sor - rows,
 To save the sheep a wan - der - ing,

Makes me love Him a - new.
 Thro' Dan-ger's gate and toll.
 And helps me to con - tend.
 Re - deem a lost man - kind.

When I leave Him, I can - not stand,
 He keeps me straight with rod and staff,
 He teach - es me to cling to good,
 The love of Christ they've nev - er heard,

O let me turn to Him!
 Love de-scended from Heav - en,
 But flee from lust and sin,
 His blood that's shed for sin,

I must seek Him now and al - ways,
 With Him my Guide, what more to ask?
 Like Him in all, ho - ly liv - ing,
 My hand in His, I must ad - vance!

He is my Friend.
 He is my Friend.
 He is my Friend.
 He is my Friend.
