

The promises of God fail not

1. The prom - is - es of God fail not,
 2. Thy heart should be like A - bra - ham's,
 3. Though dark clouds may fill the sky now,
 4. Re - main calm in per - se - cu - tions,
 5. Though thy friends may dis - ap - point thee,

Each of His word is firm,
 Who looked up to heav - en,
 The sun a - bove re - mains,
 Be - cause in the furn - ace,
 Yet do still trust in God,

Faith needs not an - y ev - i - dence,
 Coun - ted the stars, des - pised hard - ships,
 On - ly but for a lit - tle while,
 The glo - rious God's Son walks with thee,
 Je - sus, thy pow - er, is still nigh

For God ful - fills His word.
 Faith, hope a - bound - ed more.
 Morn - ing rays will ap - pear.
 The en - e - mies will fail.
 and will be - stow His grace.

Refrain

Though heav'n and earth may be burned,

Hills and moun - tains may col - lapse,

Yet all those who trust in Him,

Will see His word ful - fill.

6. In all things rely on God's pow'r,
 Until caught up to heav'n,
 All thou believed in and hoped for,
 Will become true that day.
