

I once lived a worldly life

1. I once lived a world - ly life,
 2. Things that were count - ed as gain,
 3. To me the world's cru - ci - fied,
 4. For - get - ting what lies be - hind,

Dis - tressed in sin - ful ways,
 Now are count - ed as loss,
 To it I am a - like,
 Reach - ing what lies a - head,

Now by the Lord's pre - cious blood,
 All things are worth - less as dung,
 It's hard to have Christ's full - ness,
 Run - ning straight with no drift - ing,

I was cleansed from all sins.
 My heart would not be moved.
 If I cling to the earth.
 Till the goal I at - tain.
