

As shepherds appointed

1. As shep-herds ap-point - ed, let us glad - ly la - bour,
 2. As feed - ers ap-point - ed, let us serve with deep love,
 3. As lead - ers ap-point - ed, watch lest they'd be wound - ed,
 4. As seek - ers ap-point - ed, let not one sheep be lost!

Seek our Lord to give us green pas - tures to feed.
 Serve thro' the sum - mer heat and the win - ter snow.
 Take heed for the flock and, brave - ly slay the wolves.
 We'll search all the land a miss - ing sheep to find.

By the grass - y hill - side, and by the still wa - ter,
 Suf - fer long thro' all things, en - dure dai - ly tri - als,
 Lord, give me an iron rod, give me strength in Spir - it,
 Lay it on our should - er, we will bring it back home,

All the flock shall flou - rish, breed and mul - ti - ply.
 All the flock shall flou - rish, breed and mul - ti - ply.
 All the flock shall flou - rish, breed and mul - ti - ply.
 All the flock shall flou - rish, breed and mul - ti - ply.

Refrain

Beau - ti - ful - ly breed, a - bun - dant - ly breed,

All the flock shall flou - rish, breed and mul - ti - ply,

Beau - ti - ful - ly breed, a - bun - dant - ly breed,

All are washed and ho - ly, as they sing in joy.
